6. Be done with the HW :-)

Lēctiō Tertia Activities

1. What new information is presented on page 64 regarding demonstratives that wasn't covered on 61, in your own words?

2. What questions do you have about demonstratives at this point? Give at least 2, inventing reasonable questions if you have to.

3. Study the charts on page 65 for a few minutes, saying them aloud. Then, list three patterns or features that you notice that will help you internalize these forms:

1. :

2. :

3. :

Give two methods or approaches you could use, over time, to recognize and ultimately master these forms:

1. :

2. :

Studia Rōmāna Activities

After reading the section on 66-67, Write Out two questions, followed by a single summarizing sentence with a set lead-in (see below)

1. Question:

2. Question:

Now complete this sentence: "In this chapter's _____ (adj) Studia Rōmāna we learn..."

Cap 8 Vocab Review

Study and review the Cap 8 vocab on pages 67 and 68 for 10 minutes. Use a notecard or folded piece of paper to cover first the English meaning, and then, when you feel confident, cover the Latin side and go English-to-Latin (more challenging).

Start time: _____

Finish time: _____

2 final questions

1. Which three words have meanings that are the hardest for you to remember?

2. Which words do you think you'll still remember, English-to-Latin, in a few months? Give 1-3.
